Make a fire in the su- gar lodge,
Cut a notch in the ma- ple tree,

While the snow lies on the
So that we may boil the
Set a pail on the ground

Live in a birch- bark wig - wam
Bring all the wood- en la - dles
Soon will the sap be flow - ing

All the chil- dren and the old- er folk,
Set the wood- en trough for grain - ing,
From the tree it will be flow - ing,

While the peo- ple are at work.
All the peo- ple are at work.
All the peo- ple are at work.
